

5.6: Ethics Simulation

How Your Choice Influence Outcomes - Try It!

Play the simulation below multiple times to see how different choices influence the outcome. All simulations allow unlimited attempts so you can gain experience applying the concepts.

The simulation interface features a dark blue background. In the top-left corner, there is a small circular icon with a double arrow. Centered on the screen is a white square containing a cartoon illustration of a man with a beard and brown hair, wearing a dark suit, white shirt, and red tie. He is holding a white rectangular sign with the text "DO THE RIGHT THING! (OR NOT)" in black capital letters. Below this illustration, the word "Ethics" is written in a large, white, sans-serif font. At the bottom center, there is a green rounded rectangular button with the text "Begin →" in a bold, green, sans-serif font.
