

About This Book

About This Book

This book is an interactive open educational resource (OER). Open textbooks are complete textbooks that have been funded, published, and licensed to be freely used, adapted, and distributed. As an open resource, this may be used and reused freely with no direct cost to the user.

Except where otherwise noted, the content in this book is licensed with a Creative Commons Attribution 4.0 license (CC BY 4.0), which allows it to be adapted, remixed, and shared under the same license with attribution. Instructors and students may be interested in rearranging and otherwise adapting or transforming the content into other formats. If so, please include the appropriate attribution under the Creative Commons license. More information about this license is available [here](#).

Authorship, Adaptations, Supplementary Licensing Notes, and Legal Notice

This includes content (a) created by Matthew L. Mac Kelly and (b) [edited, mixed, or otherwise adapted](#) by Matthew L. Mac Kelly from other creators' works in compliance with copyright and licensing laws and appropriate attribution standards and practices. The use of any other content referenced in or integrated into this book complies with copyright and licensing laws and appropriate attribution standards and practices.

Special Thanks

Special thanks to Melissa Randall et al. for [Fundamentals of Business Law](#) and Mirande Valbrune, Renee De Assis, et al. for [Business Law I Essentials](#). Substantial portions of their works have been adapted or otherwise incorporated into this book within the terms of their works' licenses.

Judicial Opinions

Except as otherwise noted, judicial opinions used in this work have been edited by Matthew L. Mac Kelly. Editing and elisions of text are for length and readability purposes. Some elisions of an opinion's original text are identified by bracketed ellipses (e.g., [...]), [several of which reveal elided text by clicking on inline annotation indicators \(e.g., \[...\]\)](#). Edited judicial opinions in this work are in the public domain, and government documents, judicial opinions and annotations thereto are not subject to copyright protection and are in the public domain. See *Georgia v. Public.Resource.Org, Inc.*, [140 S.Ct. 1498](#) (2020).

Legal Notice

This book contains legal information intended for educational purposes only and should not be construed as legal advice; please consult a qualified legal professional before making legal decisions.
