

10.15: Discussion- Making a PowerPoint Presentation into a Video

This PowerPoint module included a variety of ways to use and insert videos into a presentation. But what if you need to record a presentation to be able to send it to absent colleges or be able to upload it to an internal website?

Watch this video below to see how to record your presentation as a video.

A YouTube element has been excluded from this version of the text. You can view it online here: pb.libretexts.org/cafm/?p=440

Discussion Questions

- How could you use this new skill in school or business?
- What types of scenarios would call for being able to use or upload a recorded presentation?

Share your opinions below and respond to two of your classmates' thoughts.
