

## About This Course

---

In this course, students are introduced to the field of human resources management and learn about the legal and social implications of managing employees. Students will learn strategies to plan, recruit, compensate, develop, and engage a company's workforce. The course covers additional topics including unions, employee safety, corporate social responsibility, global HRM, and small business HRM.

### About Lumen

Lumen Learning's mission is to make great learning opportunities available to all students, regardless of socioeconomic background.

We do this by using open educational resources (OER) to create well-designed and low-cost course materials that replace expensive textbooks. Because learning is about more than affordability and access, we also apply learning science insights and efficacy research to develop learning activities that are engineered to improve subject mastery, course completion and retention.
