

## 1.3: Introduction to Defining Human Resources Management

---

### What you'll learn to do: Explain the concept of human resource management

Human resource management has evolved as a practice with changes in society, laws and business practices. And indeed, the pace of change is accelerating, increasing the relevance and potential impact of human resource management as a function. In this section, we'll describe the role of human resources and highlight the trends that will shape the function and profession in the future.
