

7.15: Introduction to Purpose of Human Resource Management

What you'll learn to do: explain the purpose of human resource management for both the organization and individuals

In this section, you'll discover how human resources functions within a corporation. You'll find out how HR decisions help the company to meet its goals, and how HR management can make or break a company's reputation. You'll also learn about the laws and policies companies must follow when making decisions about HR policies.
