

17.5: Pacing

The Principles of Management textbook contains sixteen modules—roughly one module per week for a sixteen-week semester. If you need to modify the pace to cover the material more quickly or create a 12 week course design, the following modules work well together:

- **Module 3: Planning and Mission** and **Module 4: Environments and Strategic Management**
- **Module 8: Groups, Teams, and Teamwork** and **Module 12: The Individual and the Organization**
- **Module 10: Leadership** and **13: Ethics in Business**

If you are teaching this course in an eight-week session, you could combine the following modules.

- **Module 1: Introduction to Management** and **Module 2: History of Management**
- **Module 3: Planning and Mission** and **Module 4: Environments and Strategic Management**
- **Module 5: Decision Making** and **Module 6: Organization Structures**
- **Module 7: Human Resource Management** and **Module 11: Motivation**
- **Module 8: Groups, Teams, and Teamwork** and **Module 12: The Individual and the Organization**
- **Module 9: Culture and Diversity** and **Module 16: Globalization and Business**
- **Module 14: Communication** and **Module 15: Control**
