

1.2: Discussion- Government in America

The role of community college students and citizen engagement is clearly a focus of study in the first chapter of the text. What concrete steps should the college take to advocate for citizen engagement? What are the advantages and disadvantages of the college taking a stance on this important issue?

In the next ten years which type of goods outlined in figure 1.3 is the most important to our federal government? Which is the most important to our state government?
