Based on this information, respond and discuss to the following statement: “CPAs should have been able to prevent the global financial crisis of 2007–2008.” Do you agree or disagree? Support your position.

Posts 2 and 3: Respond to Classmates’ Posts

Instructions

A response posting should be a minimum of one short paragraph. Word totals for these posts should be in the 75–100-word range. Whether you agree or disagree, explain why with supporting evidence and concepts from the readings or a related experience. Include a reference, link, or citation when appropriate. The goal of your response posts is to extend discussions already taking place or pose new possibilities or opinions not previously voiced. Your goal should be to motivate the group discussion and present a creative approach to the topic.
