

4.1.3: The Financial Planning Process

Learning Objectives

1. Identify the three stages of the *personal-finances planning process*.
2. Explain how to draw up a personal *net-worth statement*, a personal *cash-flow statement*, and a personal *budget*.

We've divided the financial planning process into three steps:

1. Evaluate your current financial status by creating a net worth statement and a cash flow analysis.
2. Set short-term, intermediate-term, and long-term financial goals.
3. Use a budget to plan your future cash inflows and outflows and to assess your financial performance by comparing budgeted figures with actual amounts.
