

## Index

### A

accuracy

[1.6: Limits on Measurements](#)

alkali metal

[1.2: A First Look at the Periodic Table](#)

alkaline earth metal

[1.2: A First Look at the Periodic Table](#)

### C

calorie

[1.4: A First Look at Energy](#)

chemical change

[1.3: The Classification of Matter](#)

compound

[1.3: The Classification of Matter](#)

conversion factors

[1.7: Dimensional Analysis](#)

Crystallization

[1.3: The Classification of Matter](#)

### D

Dimensional Analysis

[1.7: Dimensional Analysis](#)

distillation

[1.3: The Classification of Matter](#)

### E

element

[1.3: The Classification of Matter](#)

exact number

[1.6: Limits on Measurements](#)

Exercises

[1.8: Matter, Measurement, and Problem Solving \(Exercises\)](#)

[3.11 Practice Problems](#)

[5.7 Chemical Reactions and Aqueous Reactions \(Exercises\)](#)

### F

Fahrenheit

[1.7: Dimensional Analysis](#)

### G

gas

[1.3: The Classification of Matter](#)

group

[1.2: A First Look at the Periodic Table](#)

### H

halogen

[1.2: A First Look at the Periodic Table](#)

heat

[1.4: A First Look at Energy](#)

heterogeneous mixture

[1.3: The Classification of Matter](#)

homogeneous mixture

[1.3: The Classification of Matter](#)

### J

joule

[1.4: A First Look at Energy](#)

### K

kinetic energy

[1.4: A First Look at Energy](#)

### L

law of conservation of energy

[1.4: A First Look at Energy](#)

liquid

[1.3: The Classification of Matter](#)

### M

mass

[1.3: The Classification of Matter](#)

matter

[1.3: The Classification of Matter](#)

mechanical work

[1.4: A First Look at Energy](#)

metal

[1.2: A First Look at the Periodic Table](#)

### N

noble gas

[1.2: A First Look at the Periodic Table](#)

nonmetal

[1.2: A First Look at the Periodic Table](#)

### P

period

[1.2: A First Look at the Periodic Table](#)

Physical change

[1.3: The Classification of Matter](#)

potential energy

[1.4: A First Look at Energy](#)

precision

[1.6: Limits on Measurements](#)

pressure

[1.3: The Classification of Matter](#)

### R

rounding

[1.6: Limits on Measurements](#)

### S

semimetal

[1.2: A First Look at the Periodic Table](#)

significant figures

[1.6: Limits on Measurements](#)

solid

[1.3: The Classification of Matter](#)

### T

temperature

[1.4: A First Look at Energy](#)

thermal energy

[1.4: A First Look at Energy](#)

thermochemistry

[1.4: A First Look at Energy](#)

### U

uncertainty

[1.6: Limits on Measurements](#)

### V

VSEPR

[3.10 Shapes of Molecules - VSEPR Theory and Valence Bond Theory](#)

### W

weight
