⬚ **Edit page**

Click the Edit page button in your user bar. You will see a suggested structure for your content. Add your content and hit Save.

Tips:

⬚ **Drag and drop**

Drag one or more image files from your computer and drop them onto your browser window to add them to your page.

⬚ **Classifications**

Tags are used to link pages to one another along common themes. Tags are also used as markers for the dynamic organization of content in the CXone Expert framework.

⬚ **Working with templates**

CXone Expert templates help guide and organize your documentation, making it flow easier and more uniformly. Edit existing templates or create your own.
