

## 4.3: The Bohr Model: Predicting Discrete Energy Levels

Your page has been created!

Remove this content and add your own.

### Edit page

Click the Edit page button in your user bar. You will see a suggested structure for your content. Add your content and hit Save.

### Tips:

#### Drag and drop

Drag one or more image files from your computer and drop them onto your browser window to add them to your page.

#### Classifications

Tags are used to link pages to one another along common themes. Tags are also used as markers for the dynamic organization of content in the CXone Expert framework.

#### Working with templates

CXone Expert [templates](#) help guide and organize your documentation, making it flow easier and more uniformly. Edit existing templates or create your own.
