Tips:

□ [Drag and drop](#)

Drag one or more image files from your computer and drop them onto your browser window to add them to your page.

□ [Classifications](#)

Tags are used to link pages to one another along common themes. Tags are also used as markers for the dynamic organization of content in the CXone Expert framework.

□ [Working with templates](#)

CXone Expert [templates](#) help guide and organize your documentation, making it flow easier and more uniformly. Edit existing templates or create your own.
