

20: Accessibility Statement

2

Accessibility Overview

A contemporary approach to research and statistics in psychology has been designed with accessibility in mind.

In addition to the web/HTML version, this book is available in several file formats, including PDF and EPUB (for eReaders).

Look for the “Download this book” drop-down menu to select the file type you want.

Accessibility Standards

The web version of this resource is designed to meet [Web Content Accessibility Guidelines 2.0](#).

Let us Know if you are Having Problems Accessing this Book

We are always looking for how we can make our resources more accessible. If you are having problems accessing this resource, please contact us to let us know so we can fix the issue.

Please include the following information:

- the location of the problem by providing the book title, a web address or page description
- a description of the problem
- the computer, software, browser, and any assistive technology you are using that can help us diagnose and solve your issue
 - e.g., Windows 10, Google Chrome (Version 65.0.3325.181), NVDA screenreader.

You can contact us via:

- Web form: [Submit a question to JCU Library](#)
