

Index

B

bar chart

[1.2: Visual Representation of Data I - Categorical Variables](#)

C

conditional probability

[4.2: Conditional Probability](#)

H

Histograms

[1.3: Visual Representation of Data II - Quantitative Variables](#)

I

independent events

[4.2: Conditional Probability](#)

L

linear regression

[3: Linear Regression](#)

M

mean

[1.4: Numerical Descriptions of Data I: Measures of the Center](#)

median

[1.4: Numerical Descriptions of Data I: Measures of the Center](#)

mode

[1.4: Numerical Descriptions of Data I: Measures of the Center](#)

P

pie charts

[1.2: Visual Representation of Data I - Categorical Variables](#)

S

sample space

[4.1: Definitions for Probability](#)

skew

[1.3: Visual Representation of Data II - Quantitative Variables](#)

T

the central limit theorem

[6.1: The Central Limit Theorem](#)

V

Venn diagrams

[4.1: Definitions for Probability](#)
